Attn: Bishop of Bergamo - Monsignor Amadei

This is to express my humble support to the apparitions of Our Lady, Our Blessed Virgin Mary, at Ghiaie di Bonate in 1944. God bless your country for these marvelous apparitions and the messages that Our Lady, as Queen of the Family, left for us all, even for us here in Argentina.

Hope these messages could be spread worldwide soon, as they are so much needed by a society controlled by materialism and absence of principles, that is, lack of faith in God.

My best regards to you, Monsignor. God bless you.

Our Lady, Queen of the Family, pray for us.

Alejandra García
